

**Faith's Biennial Worship Servants Day,  
August 26, 10-2 with lunch included**

Every two years, staff and worship leaders join together to renew and refresh ourselves and our worship procedures. We begin with Morning Prayer and then both Pastor Mark and Cantor Tom help us to understand why, where and how we worship as Lutheran Christians. This gives us a chance to understand why we worship as we do, how our space functions in our worship and how we might better serve our worshipping community.

As publicized earlier, acolytes, ushers, greeters, communion ministers, assisting cantors, assisting ministers, and sacristans are all invited, but ALL MEMBERS of Faith are welcome as we, together, learn and grow in the primary reason we exist as Faith Lutheran Church: worship! This year's emphasis will be on our space.

Schedule: *attendance is not required for the entire gathering:*

10:00 am Morning Prayer

10:15 am Plenary by Pastor Mark

10:40 am Plenary by Cantor Tom
